

Updating your Certification ID when using two different certified systems for incentive payments.

Step 1: Go to : <http://oncchpl.force.com/ehrcert>

Step 2: Click on 2011 Edition

Step 3: Click Ambulatory Practice Type

Note: Hybrid Certification - Eligible professionals (EPs) who practice in both ambulatory and inpatient settings, using a combination of EHR technology certified for both of these settings, can generate a CMS EHR Certification ID. For "Hybrid" certification, select "Ambulatory Practice Type" and then select the combination of ambulatory and inpatient EHR technology to demonstrate meaningful use. Due to "Hybrid" certification, all inpatient products also meet ambulatory certification criteria.

Step 4: Below Product Name in the Search for: box type in Sammy and click search. You must click the search button, do not press enter.

Step 5: Click Add to Cart

Step 9: Click on Get CMS EHR Certification ID

You will then see your certification ID.

Your CMS EHR Certification ID is: A00001KHKYOE3

An Eligible Professional (EP) or Eligible Hospital (EH) that chooses to participate in the Centers for Medicare and Medicaid (CMS) EHR Incentive Programs must obtain a CMS EHR Certification ID. You may submit this CMS EHR Certification ID at the time of registration, but must submit it as part of the attestation process for Medicare and Medicaid (CMS) EHR Incentive Programs.

Please return to the [Medicare and Medicaid EHR Incentive Program](#) and enter this CMS EHR Certification ID when prompted for an "EHR Certification Number" on the appropriate registration or attestation screen.

Please do not refresh this page. Refreshing the page may remove EHR products from your certification cart and result in an incorrect CMS EHR Certification ID. Click on the 'Return to CHPL Home' link above to access the CHPL homepage.
